

## REMARKS

Applicants herein cancel the claims whose rejections were affirmed by the Board of Patent Appeals and Interferences.

Applicants further rewrite claims 36-38 in independent form to place them in condition for allowance in view of the Board's reversal of the rejection of claims 36-38.

Applicants earnestly solicit a Notice of Allowance at the Examiner's earliest convenience.

## CONCLUSION

Applicants respectfully request reconsideration and withdrawal of each of the objections and rejections, as well as an indication of the allowability of each of the pending claims.

Any changes to the claims in this amendment, which have not been specifically noted to overcome a rejection based upon the cited art, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

The Examiner is invited to contact the undersigned attorney at the telephone number listed below if such a call would in any way facilitate allowance of this application.

The Commissioner is hereby authorized to charge any fees, which may be required, or credit any overpayment, to Deposit Account Number 50-2469.

Respectfully submitted,
